My dear Sir

Please excuse my negligence.  
I have been travelling in Canada on  
Telegraphic business - and go to speak  
late in a day or two. I have taken  
rooms at the above address ~~late~~ in  
which to carry out my telegraphic researches.  
I have only been able to give you a partial  
trial but I am convinced it is valuable  
Please forward to me all the points you would like  
included in a spec. & I shall submit it to my partners,  
I forward by this mail - a description of my invention,  
A. G. B.
